Division Challenges, Issues & Solutions

The northernmost areas of the Division are characterised by sparse populations and significant distances between clubs making inter-club support challenging. Dargaville Club is currently ineligible and needs a kick start. Top-Notch has just been reinstated after being suspended last Toastmasters year, thanks to the hard work of several people, most notably Troy Smith, whilst Hokianga and Orewa Lunchtime are also in rebuilding mode.

Marketing efforts being planned at division and area level include a farmers market promotion in Kerikeri, bill board advertising throughout the division and constant efforts to raise brand awareness
New Clubs Progress

There is one new club prospect at present, in K2. An inaugural meeting will be held shortly

Division Events and other newsworthy items

Club Leader Training was held in Kerikeri with the result that at least one long term member was moved to enrol in Pathways. Another CLT is scheduled in Whangarei. Division K clubs further south are attending CLT sessions in North Shore supported by Division K - a great example of co-operation for the benefit of all members.
